

What makes a neighborhood great?

Planning must deal with an entire region and its many complex problems, as

industry	commerce
transportation	housing
health	government
	recreation

But planning begins with

YOU YOUR FAMILY YOUR NEIGHBORHOOD

The neighborhood is the basic unit of any town, city, or region.
It must be small enough to allow for a good social life.
It must be large enough to support a good elementary school,
(i.e. 1000 to 1500 families).
It must have its park, its social center, its stores, its
opportunities for work.
It must provide for people with different interests, jobs, and incomes.
In such neighborhoods people will want to work together
to solve their mutual problems.
They will have the chance to become
A REAL COMMUNITY OF RESPONSIBLE CITIZENS
